2009-2010 Referee Program Guidelines

Dear Referee:

Welcome to the 2009-10 DIABLO FC Referee program. We have made changes to the previous program to help facilitate game coverage. New for 2009:

- DIABLO FC will now pay you for refereeing games. Fees for league games are \$35, \$30, \$25 and \$20 per game depending on your level and assignment. Tournament games will be paid at different rates depending on the tournament/jamboree level.
- DIABLO FC will assign you a referee level that is commensurate to your game level. You can be moved up and down. D&G's & Assessments are available.
- DIABLO FC has a pay scale that is assigned to the referee's level for both the Center Referee and Assistant Referee. Levels are 1 – 6, with 6 being the highest.
- DIABLO FC Team Referees are required to referee a minimum of 15 games per team. Games can be divided up among your team refs. Each team is required to have 2 certified USSF referees per team.
- DIABLO FC will pay for the Entry Level Class but will no longer purchase the referee starter kit or pay for your badge reimbursement cost.
- DIABLO FC requires all DIABLO FC referees to have a current year badge in order to be paid. Current year badge is 2009. Minimum badge level is "Grade 8".

Games will start this spring with DIABLO FC teams playing in Norcal Spring League then moving into all fall leagues followed by Norcal winter and Norcal State Cup. DIABLO FC will have 5 tournaments throughout the 2009 season and team referees are expected to participate.
